

Bay Harbor School Store

Below is a list of some of the items that will be for sale at our School Store!

Students will be able to shop at the School Store during the lunch hours after they have finished eating. We have wonderful volunteers who will be there to help students purchase items and give change. Please keep checking back for new items that will be added throughout the year! All proceeds go to the Bay Harbor Student Council. These funds are then used to support fun school activities here at Bay Harbor!
